NEW HARVEST FEATURES

This week's original stories by our staffers and volunteers:

- Want to know what we got up to this year? Find out in our just-published [2015 Year in Review.](#)
- In light of the 2015 UN Climate Change Conference happening in Paris, our Development Officer Gilonne offers [how we can change the livestock supply chain to address climate change](#) today on our blog.
- Sometimes we are asked why cellular agriculture isn't already well funded. [Here's our FAQ explaining why.](#)

FROM AROUND THE WEB

Our favourite content this week about the world of cellular agriculture:

- Animal Charity Evaluators has listed New Harvest as a standout charity. [Read their charity review here.](#)
- GiveWell, another effective charity evaluator, has [reported on New Harvest via its Open Philanthropy Project.](#)
- Jacy Anthis on the Huffington Post blog lets us know [what the Chan Zuckerberg Initiative could do for animals.](#)
- Jian Yi of The Guardian talks about how [cloned cows only perpetuate the existing factory farming model of creating animal products.](#)

[New Harvest](#) is powered by people like you.
