

Dear Friend,

We're approaching the end of the year! There's no time like now to make a tax-deductible donation to New Harvest, a 501(c)(3) registered charity.

Here are a few reasons to give:

- With only two employees, New Harvest is a lean, effective organization that makes the most of your donated dollars.
- New Harvest has been recommended by Animal Charity Evaluators as a [standout charity](#).
- Our donors think [New Harvest's work is a great opportunity for philanthropy](#).
- [We've had an incredible year](#).

[Make a tax-deductible donation today and have it doubled by The Jeremy Collier Foundation.](#)

Thank you for joining us in building a better future!
