## ANNOUNCEMENTS

---

The latest news from New Harvest:

- We're thrilled to announce that the **Environmental Law Institute** and **New Harvest** are collaborating on a new project to explore public perceptions and attitudes towards the production and consumption

**of cellular agriculture foods!** The project will conduct a number of focus groups with Hart Research over the next few months, with results expected in early 2017. To find out more about this joint research project, [click here](#).

- Mike and Erin spoke at Joshua Katcher (of [The Discerning Brute](#) and [Brave Gentleman](#)) and [Andrea Katz](#)'s senior thesis class for Fashion Design at Parsons last week! The presentation and ensuing discussion was centered around potential applications of cellular agriculture materials in the fashion industry. Do you have any ideas about how New Harvest can engage further with the world of fashion? [Get in touch!](#)
