

## **ANNOUNCEMENTS**

The latest news from New Harvest:

- Daan and Erin participated in a live Q&A session yesterday at the <u>Disruptive Innovation Festival</u>, an initiative by the <u>Ellen MacArthur</u> <u>Foundation</u>. If you weren't able to take part in the Google Hangout, a recording is available <u>here</u>.
- We're working with the Environmental Law Institute on research
  to explore public perceptions and attitudes towards the production
  and consumption of cellular agriculture foods! The project will consist
  of a number of focus groups with Hart Research over the next few months,
  with results expected in early 2017. To find out more about this joint
  research project, click here.

## FROM AROUND THE WEB

Our favourite content this week about the world of cellular agriculture:

- Will cultured meat be kosher? New Harvest community member Ben
   Wurgaft asks how Jewish dietary laws might govern cultured meat in The Revealer.
- Mark Post, creator of the world's first cultured beef hamburger, was interviewed in The Stem Cell Podcast this week [35:35].
