

ANNOUNCEMENTS

The latest news from New Harvest:

A BIG thank you to everyone who has been contributing to our year end fundraiser! We are making some serious progress towards our goal of \$1 million 🍷

- [We have entered into our year end fundraising season!](#) The success of this fundraiser is the greatest determining factor in our ability to fund and share research and hold events like the annual New Harvest cellular

agriculture conference in the new year. **Our goal is to have raised \$1 million towards open cellular agriculture research by the end of 2017.** Many of you donated this past #GivingTuesday and helped bring us closer to that goal - thank you to all who contributed! 🙌 If you haven't yet supported New Harvest's work and would like to start (you will also begin receiving our monthly donor updates), you can donate [here!](#)

UPCOMING EVENTS

- Drs. Marianne Ellis and Neil Stephens will be co-hosting a **free event for the UK cellular agriculture community**, on December 7th at the University of Bath. Interested attendees must register [here](#).
