THE LATEST IN CELLULAR AGRICULTURE

July 10 & 11 | MIT Media Lab, Cambridge, MA

Hi friend,

[Get your Early Bird Ticket for New Harvest 2020](#)

There's only one week left until [early bird tickets](#) and [programming suggestions](#) for New Harvest 2020 close on Friday, March 13.

Early bird tickets are half the price, so [grab one now](#) and don't let Friday the 13th be your unlucky day! 🐼

At this year's [New Harvest Conference](#), we are bringing the cellular agriculture community together to talk about the elephants in the room and *we want to hear from you*.

What dialogues, and between which individuals, ought to be facilitated?

Register for early bird tickets [now](#) to be there for the discussion, and share your thoughts on speakers, panel topics, and exhibitors by Friday, March 13.

[Nominate a speaker, panel topic, or exhibitor](#)

Sincerely,
The New Harvest Team
